#### Druk Path Trek Itinerary

The itinerary for the Druk Path Trek is nine days long and starts from Kathmandu. After taking a flight to Paro, we finally started our trekking. We walk uphill through the apple orchards and pine forests to see the old fortress, a Jele Dzong museum (3490m), from where you see a fantastic view of [Mount Jomolhari](#) (7326m) to the north. The idea is going to leave you astonished. We settle in campsites in various locations near lakes, allowing you to explore the people and lifestyle en route. Our final destination will be through pine forests as we walk to Phajoding monasteries leading to Thimphu, the capital city of Bhutan.
