Incredible Everest Short Trek

- Duration: 5 Days
- Max Altitude: 3,880 m
- Destination: Nepal
- Trip Grade: Easy
- Best Season: All Year

Highlights

Everest Short Trek, also known as the Everest View Trek or Everest Panorama Trek, is a popular trekking route in the Everest region of Nepal. Although shorter than the full Everest Base Camp trek, it still offers incredible views of the world's highest peak, Mount Everest, and the surrounding Himalayan landscape.

- 1. Breathtaking Scenery:** Everest base camp short trek with stunning views of some of the world's highest and most iconic peaks, including Mount Everest (8,848 meters/29,029 feet), Lhotse, Nuptse, Ama Dablam, and many others. The landscapes are awe-inspiring, with majestic snow-capped mountains, deep valleys, and picturesque Sherpa villages.
- 2. Namche Bazaar:** The Everest Short trek typically starts from Lukla, a small town with an airport serving as the Everest region's gateway. As you approach Namche Bazaar, the trek's primary hub, you'll pass through beautiful forests, suspension bridges, and charming Sherpa villages. Namche Bazaar is a vibrant trading hub and a great place to acclimatize while enjoying the local culture.
- 3. Everest View Hotel:** As the name suggests, the Everest Short Trek allows you to visit the Everest View Hotel, a luxury hotel situated at 3,880 meters (12,730 feet). From this vantage point, you can enjoy panoramic views of Mount Everest and other towering peaks while sipping a warm beverage or enjoying a meal.
- 4. Sherpa Culture and Hospitality:** Throughout the trek, you'll be able to immerse yourself in the unique Sherpa culture. Interact with friendly locals, visit traditional villages, and gain insights into their way of life, including their rich religious practices, traditional architecture, and warm hospitality.
- 5. Stunning Sagarmatha National Park:** The Everest Short Trek takes you through Sagarmatha National Park, a UNESCO World Heritage Site. This protected area is home to diverse flora and fauna, including rare species like the snow leopard and the Himalayan musk deer. The trek allows you to appreciate the natural beauty and biodiversity of the region.

6. Accessible for Most Trekkers: The Everest Short Trek is relatively less challenging than the full Everest Base Camp trek, making it accessible to a wider range of trekkers. It's suitable for those with limited time, less trekking experience, or who prefer a less physically demanding route while still enjoying the remarkable Himalayan scenery.

Overview

Everest Short Trek experience trekking in Nepal and admire the greatness of the mighty Everest (8848 m), but if you want a quick or easy option, then this Everest View short trek is the one for you. This Everest Trekking package lets you experience trekking in the Himalayas. Enjoy all the beauty and rewards of venturing into the Everest region in just a week.

Everest Short Trek

The Everest Short Trek starts from the capital city, Kathmandu. You will embark on a flight to the unique airport on earth, Lukla, to begin the journey. However, it is not only Everest that you will see, as this Panorama View Trek, or short trek in the Himalayas, truly lives up to its name. On this 5-day journey, you will be able to witness the magnificent views of the highest and most spectacular mountain ranges in the world; mountains such as Mt. Lhotse (8516 m), Mt. Nuptse (7861 m), Mt. Thamserku (6623 m), and Mt. Ama Dablam (6812 m).

You will experience the beauty of Nepal's people and villages. On your trek, you will pass the town of Chauri Kharka (2680 m) and reach Phakding. The scattered Sherpa houses and the vicinity filled with spiritual calm will give you tranquillity. Later, you will visit the famous Sherpa market called Namche Bazar. It is also known as the Gateway to Everest before hiking uphill to Syangboche. This will lead you to the largest monastery of Tengboche. It will give you an insight into the practices of Buddhism.

After you have explored the country's culture, tradition, nature, and stunning views - all in just one week - you will board a flight from Lukla back to Kathmandu. This short trek needs a medium level of physical strength. It is recommended to be carried out between September and November or March and May. These seasons maximize your chances to see the blooming rhododendron flowers and snowy peaks for which this trek is famed. The short walk to Everest follows the same route as [Everest Base Camp Trekking](#) up to Tengboche.

Short Treks in Nepal

The Everest Short Trek takes place within the boundaries of Sagarmatha National Park, a UNESCO World Heritage Site. The park has various flora and fauna, including rare species like the snow leopard and Himalayan.

While the Everest short Trek doesn't reach Everest Base Camp, it still offers remarkable views, cultural experiences, and a sense of adventure. It is a fantastic option for trekkers who have limited time or prefer a less strenuous trek while enjoying the beauty of the Everest region.

Everest Short Trek Cost

The cost of an Everest Short Trek varies depending on several factors, including the trekking agency,

duration, and inclusions. On average, it can range from \$810 to \$2,500 per person. This typically covers permits, guide, and porter services, accommodation, and meals during the trek. Prices may fluctuate, so it's advisable to check with trekking agencies for current rates.

With our experienced guides, you will be in safe hands. Our mission is to make your trip fun and comfortable, which is why we have been regarded as the best in the industry in Nepal. Please get in touch for more information regarding the Everest Panorama Trek cost, difficulty, or anything else.

FAQs

Is a Short Trek to Everest Base Camp Possible?

Of Course, Everest Short Trek route is the same for both until reaching Namche. For a short trek, your ending point is Namche Bazaar. To get to [Everest Base Camp](#), you must go upward routes to Tengboche, Dingboche, Dughla, Lobuche, and Gorak Shep, adding about six more days.

How to reach Everest View Hotel

Everest View Hotel is the first-ever luxury hotel made at 3963 meters from sea level. This is also the most magical viewpoint in the Khumbu region. 1 hour of the walk takes you to the Everest view of the hotel from Namche. It would be best if you trekked to Namche from Lukla, which takes two days.

Another way to reach Everest View Hotel is via Aircraft, which drops you in about 1 hr from Kathmandu. You can see the Himalayas' view above the clouds through a helicopter.

Can you Book Everest's Short Trek Solo?

Yes, you can; Everest short trek allows you to explore the natural beauty of the Himalayas. You can book your trek solo if your tour ends at Namche. But if you plan to climb above the Namche, considering deep forest routes, you may have a problem with the solo trek.

How Hard is Everest View Trek?

Everest View trek is less than a week's journey in the Himalayas. It's the shortest and the most leisurely mountain trek in Nepal in terms of distance, altitude, and remoteness. The total length of the Everest View trek is about 40 km, and the highest height is the Everest View Hotel at 3963m. So, the chances of altitude sickness are also meager. Further, this is a luxurious trekking region of Nepal with the best accommodation and Food. So, you don't need to worry about Short [Everest Trek's Difficulty](#). Having

expert guidance from the MyEverestTrek team makes it even easier.

Additional Information

Everest Trek Accommodation

Short trek to Everest base camp, you can have various accommodation facilities. From Kathmandu to Namche, you can have luxurious accommodations such as five- or three-star hotels. You can select the accommodation that suits you according to your budget and interest. All rooms have a private bathroom, hot shower, and Wi-Fi.

The cost of a hotel in Namche might be higher in the peak season. However, the same accommodation is available cheaply during the offseason. From Lukla to Namche, you may have to adjust a night at the teahouse during peak season. In short, one can enjoy their trek with reasonable accommodation and food.

Everest View Trek Without a Guide

You need a guide for [Everest Short Trek](#) when the trek routes are confusing and complicated. In the case of [Everest trekking](#), is more accessible as you don't have to trek on poor mountainous, steep slopes and High Passes. In your trekking routes, you can find several tea houses. They can suggest the ways ahead. Thus you can also enjoy your journey without a guide till Namche when you plan to go there on a low budget.

Hiring a guide is always a good option in the mountains. It makes the overall trekking experience less stressful and more comfortable. The choice is yours.

[Best Time For Everest View Trek](#)

This trek is possible throughout the year as you don't have to trek much in snowy areas at severely dropped temperatures. Traveling during spring and autumn is always ideal for the Everest area trek.

1. Spring

Early March is still cold, but the skies are clean, and you can observe clear views of Everest. Trekking in late March and April are famous months for most trekkers. The Blossoms of many wildflowers, including rhododendrons, make your trek attractive and memorable. So, many trekkers choose this season to see the clear sky and a mesmerizing view of Everest and the colorful rhododendron forest. However, the trekking route may be overcrowded since peak season, even in Gokyo Lake Trek.

2. Autumn

During the autumn, the atmosphere becomes favorable for the [Short Everest View Trek](#), i.e., neither warm nor cold. You don't have to face the low night temperatures and warm days; it makes your journey perfect. Trekking Everest in the autumn makes your trip easier due to zero chances of heavy rainfall and slippery routes. So most trekkers also choose to see clear blue sky, a perfect view of Everest, and alluring landscapes this season. The crowd of October can be an issue, though.

3. Off-season

Trekking during winter is possible, but the high-velocity wind with low temperatures can limit your trek. Some enthusiastic trekkers choose this season for adventure. Everest short trekking in the summer season is also achievable. Heavy rainfall and slippery routes make it a bit uncomfortable, but with the proper preparation, the Everest Trek in summer can be fun. Mountain Views are sometimes blocked by fog, although the surrounding is green.

Observations on the Brief Everest Hike

You can observe several exciting things during the trek from Lukla to the Namche. After reaching Lukla by flight, you witness the landscape's Greenery.

Phakding is your destination for the first-day trek, during which you can see the Himalayan yaks, donkeys, and horses. Passing the number of small Sherpa villages throughout the journey makes great memories. Plenty of tree species and other fauna attract your eyes, and you will be able to identify these species. Further, the Dudhkoshi rivers add peace to your trek. In Phakding, you can stay in a homestay which provides a chance to see the culture of Everest and the religion of the people who live there. At night, you get views of a star in the gloriously clear sky with a backdrop of mountains.

Trekking routes from Phakding to Namche consist of steep incline slopes. The streets make you cross the Dudh Koshi River through a suspension bridge many times. If the weather is clean, you can see the first view of Mt Everest while trekking on steep mountainous slopes. Before reaching Namche, you will get the opportunity to cross a double-suspension bridge. Here, you can nearly observe the Dudh Koshi River, crystal clear water, and the peacefully blown wind.

Explore Namche Bazaar

Everest viewpoint: After a short hike from Namche, reach the Everest viewpoint. It offers you the majestic views of Mt Everest and the panoramic view of Mt. Cho Oyu, Mt. Makalu, Mt Ama Dablam, and many peaks.

Traditional House and Stupa: Namche offers to visit a traditional house built about 150 years ago. Many Buddhist stupas make to think about their culture, which is quite interesting. Tibetan-style painting makes the perfect structure.

Namche Monastery: Namche Monastery was built about 300 years ago and is called Nyingmapa Monastery. Here, you can see the mesmerizing view of the Himalayas along with Greenery and hilly peaks. Nyginge and Dumji festivals have greater importance in this monastery, and many people come to pray for good.
